RE: Tiger II DOT Grant

Dear Mr. Flora,

The Salem District of the Virginia Department of Transportation appreciates having been involved with providing background information in your quest for tourism funding for the Route 311 Scenic Byway over the past few months.

By way of this letter, I would like to offer any reasonable support that the District can provide to you, regarding technical information and VDOT Standards, should you receive the Tiger II D.O.T. grant for this outstanding package that Craig County is in the process of submitting.

If we can be of further assistance, please do not hesitate to contact us at your convenience. In the meantime, we wish you the best of luck with your application.

Sincerely,

Richard L. Caywood, P.E.
Salem District Administrator
